TECH STACK

Figma • Adobe Photoshop • Canva • Prototyping Tools • User Research Methods

PROFESSIONAL EXPERIENCE

- **Product Designer & UX Lead – Vnicom Solutions Limited (2022 – Present)**
  Led end-to-end design for digital products including Turnify, FortiTrack, and MyCDAOnline. Defined UX strategy, conducted research, built scalable design systems, and collaborated with engineers to improve usability and accessibility.
- **Lead Product Designer – Vnitpay (vnitpay.com)**
  Led UI/UX design for a digital voucher and payment platform. Designed user flows, responsive interfaces, and built brand assets to strengthen product positioning and usability.
- **UI/UX Designer – Federal Government of Nigeria (Performance Management System) (2025)**
  Designed and improved a national Performance Management System dashboard for internal monitoring and evaluation. Developed structured data visualizations, optimized complex workflows, and enhanced usability across government departments.
- **UI/UX Designer – Turnify (2024 – 2025)**
  Designed responsive interfaces and optimized onboarding flows through usability testing.
- **UI/UX Designer (Contract) – Idenxia (2025)**
  Developed user flows, wireframes, and high-fidelity prototypes for a photo printing application.
- **Brand Designer – Vnicom Solutions & Flavour Fusion (2024 – Present)**
  Designed brand identities and marketing assets, maintaining visual consistency across campaigns.
